OUR SPECIALTY:

GROWING HALL'S JAPAN
TRANSPLANTED
HONEYSUCKLES

McMINNVILLE, TENN., Feb. 1 1944

Mr. Ralph T. Shaw
U.S. Dept of Agriculture
Washington D. C.

Dear Sir,

In answer to your invitation
for our Catalog, will say we make
a specialty of growing Hall's Japan
Honey Suckle Transplants, for the
wholesale Trade & Dealers & States
& Government, for their uses. If they
wish them we can usually furnish
a few hundred thousand also. Would
like to grow 3 to 500 ft of this
Honey Suckle 1 & 2 years old at a
reasonable price when asked to
quote on this we can also now
furnish stock for Transplanting from
rooted layers, delivered price in
100 ft lots or more ready to transplant
at 1/2 cents each. Will be glad to
hear from you again would appreciate
your cooperation with this business.
Yours very truly Morton Bros
